Dear Sir/Madam

RE: REQUEST FOR PLACEMENT/ ATTACHMENT

I write to formally submit my request for attachment / placement within your institution. I have been awarded a sponsorship to study for a doctorate in business administration under NBS. The condition of the award dictate that I should be attached somewhere I can gain civilian experience. This mean if the university is liberal, I can be voluntarily a become a tutor, research assistance and perform any other duties assigned to me. I our relationship can be merely voluntarily but professional. The sponsorship strongly encourages a placement whereby there would be a stipend in an effort to foster independence. Nevertheless, the bigger picture is the integration to civilian experience hence there is a flexibility to renegotiate my upkeep should our relationship exclude stipend.

Please find the attached document from my sponsor, detailing their funding requirements and expectations for institutional collaboration. I trust these materials provide sufficient detail. Should you require further clarification or additional documentation, please do not hesitate to contact me via email samsgwa@gmail.com or whatsapp +26876673468.

Thank you for your guidance in formalizing this partnership. I look forward to your favorable response.

Yours Sincerely
